

# Fool no more

(lyrics Ruud Weber music: RH Weber/E Java/F de Jong/G van der Kolm)

I want you to listen  
I got something to say  
You treading me bad  
In a lowdown way  
So many years  
I waited for you  
But you didn't care  
About a thing I do

Now it's over  
I've been waiting so long  
I am stronger now  
And my time has finally come  
I found someone to love me like you never will  
And I don't need you here no more  
I am never coming back again

I've been blinded  
Like a fool  
Couldn't tell wrong from right  
With the things you do  
You should have known better  
Wanting me to stay  
I gave you my love woman  
But you threw it away

And now it's over  
I've been around too long  
I am stronger now  
And my time has finally come  
Cause I found someone to love me like you never ever will  
And I don't need you here no more  
I am never coming back again  
Cause you took it all for granted  
Now I'm walking out that door  
I'm telling you for the last time  
I wont be your fool no more

I found someone to love me like you never ever will  
And I don't need you here no more  
I am never coming back again  
Cause you took it all for granted  
Now I'm walking out that door  
I'm telling you for the last time  
I wont tell you no more  
For all the times that you hurt me  
And you left me wondering why  
I am through with what you're feeling  
And I don't care if you cry  
Cause you let it fall to pieces  
Now watch me walking out that door  
I'm telling you for the last time  
I wont be your fool no more
