

If you want to leave

(Lyrics E. Java/RH Weber music E. Java)

You can say all that you want to
I will try to understand
Let me know if you're unhappy
I will be a better man

But don't you give up on me
Don't you walk out that door
You're still a part of me
Forever more

If you want to leave
Take me with you
If you want to go
Let me be the first to know

All that I've got is what I'll give to you
Just to keep you satisfied
I'll be somebody else if that's what you want me to do
I won't even ask you why

But don't you give up on me
Don't you walk out that door
You're still a part of me
Forever more

If you want to leave
Take me with you
If you want to go
Let me be the first to know

But don't you give up on me
Don't you walk out that door
Don't you give up on me
Now and forever more

If you want to leave
Take me with you
If you want to go
Let me be the first to know
