

Hurricane

(lyrics: RH Weber - music: RH Weber/E Java/F de Jong/G van der Kolm)

My life is changing and I can't face it and I aint slowing down
My hands are shaking and my heart is breaking and I got to keep moving on
I got to find something
Something to keep me from going insane
I'm running away
I'm running away
I aint ready for this hurricane

I am drifting out on the sea and I can't find my way home
Nothing is clear, feels like I'm losing everything I've ever known
Somebody help me
Help me get my feed back on the ground
I'm running away
I'm running away
I aint ready for this hurricane

Too much confusion, too much pain, pushing me to the edge
What if I fall? Can I get up? Can I find my way back?
Somebody help me
Help me get my feed back on the ground
I'm running away
I'm running away
I aint ready for this hurricane
