

Doctor Doctor

(lyrics: Ruud Weber music: RH Weber/E Java/F de Jong/G van der Kolm)

Doctor Doctor wont you help me please, I've been trying to find an easy way out
Away from women worries and doubt cause love keeps bringing me down
I've had more than enough of heartaches and I can't stand another one
Oh oh yeah tell me what can be done

Doctor Doctor wont you help me please, I've been trying to loose some weight
Bad luck and trouble is getting too heavy and I might be a little too late
Too late to try and turn around what's been on my mind
Oh oh yeah I'm running out of time

Oh oh
I'm on a mission to get some prescription
Oh oh
Doctor don't you let me down
Cause it aint that easy to get away from this pain and misery
Doctor Doctor Doctor wont you please help me

Oh oh
I'm on a mission to get some prescription
Oh oh
Doctor don't you let me down
Cause it aint that easy to get away from this pain and misery
Doctor Doctor Doctor wont you please help
Doctor Doctor Doctor wont you please help
Doctor Doctor Doctor wont you please help me
