

Broke & Lonely

(lyrics/music J Otis/J Watson performed by King of the World)

I done lost all my money
Now I'm about to lose my mind
I done lost all my money
Now I'm about to lose my mind
Seeing that my baby
Wants to leave poor me behind

Women used to holler
Here comes that good sweet loving man
Women used to holler
Here comes that good sweet loving man
And now when they all see me
They won't even wave their hand

Whoa whoa yeah
How could this thing happen to me?
I'm so broke and I'm lonely
And my heart's in misery

If i ever get some money
To get back on my feet again
If i ever get some money
To get back on my feet again
I'm going back to where I came from
To wave off all them chicks and friends

Whoa whoa yeah
Whoa whoa yeah
Whoa whoa yeah
How could this thing happen to me?
I am broke and I'm lonely
And my heart is in misery
You know i'm broke and I'm lonely
And my heart is in misery oh yeah
