

## Gone gone gone

(lyrics: RH Weber/music: RH Weber/performed by King of the World)

If you're sitting around the house  
Waisting your time  
Watching your TV 323  
While she's out all night  
She be talking to her friends  
She be talking real long  
She be talking about the things that you done wrong

You better take her out  
Before somebody else will  
You better tell her she's pretty  
You better tell her for real  
Open up the door  
When she goes inside  
Make her feel like a woman when she's by your side

Or she's gone, gone gone  
Living it up  
Gone, gone gone  
Better get her to stop  
Gone, gone gone  
Don't you waist no time  
Treat het like a lady make her feel so fine

Woman love to see you crawl  
And go down on your knees  
And when you want a little honey  
You better please please please  
Or she'll be looking around  
For a sweet talking case  
I said someone who's ready to take your place

She'll be gone, gone gone  
Living it up  
Gone, gone gone  
Better get her to stop  
Gone, gone gone  
Don't you waist no time  
Make her feel like a woman when she's by your side

She be gone gone gone  
Gone gone gone  
Gone gone gone
