

Help me find the way

(lyrics: RH Weber/music: RH Weber/performed by King of the World)

I got to find something
I got to find a way
To get back where I came from
To start all over again

Time keeps on rolling
Rolling away my time
And it's got me wondering
It's got me wondering why

My soul's been beaten
So many times before
These walls around me
They won't open any more

My sight is blinded
Blinded by my sight
It's got me wondering
It's got me wondering why
Cause I can't leave it behind

Help me find.....help me find the way
So I can do it all again
Help me find.....help me find the way
To do all again

I got what I wanted
And wondered what I got
I'm still searching
Stuck inside my heart
Cause I can't leave it behind
Cause I can't leave it behind

Help me find.....help me find the way
So I can do it all again
Help me find.....help me find the way
To do all again
Help me find.....help me find the way
So I can do it all again
Help me find.....help me find the way
To do all again
