

Wrong side of life

(lyrics: E.Java/music: RH Weber/E Java/F de Jong/G vd Kolm/performed by King of the World)

I woke up one morning
Didn't feel so bad in years
It was my final wake-up call
To make an end to all my fears

Didn't realize
That I was living on the edge
Didn't recognize
That I could easily lose this match

I've been torn and I've been temped
By the spirits of the night
I've been livin' too long
On the wrong side of life

Just the other day
I found a new horizon
Showing me things
I never seen before

There was too much darkness
Where I came from
Now I'm gonna leave
I'm gonna leave it all behind

I've been wasted and walking around
On the wrong side of the road
I've been carrying all this stuff
Like a heavy load
I've been torn and I've been temped
By the spirits of the night
I've been livin' too long
On the wrong side of life

Living too long
Wrong side of live (repeat)
