

## Better luck next time

(lyrics RH Weber/music RH Weber, E Java, F de Jong, G vd Kolm)

I put all my nerves on a plain to Alaska  
I was ready to go I got ready to ask her  
I told myself that it would be all right  
So I stepped right up and took her by surprise  
She looked at me and rolled her eyes  
She said step aside and better luck next time

I'm just a man like so many others  
When it comes down to loving I'm a plain old fool  
My heart starts beating and my hands start shaking  
And words never seem to come out right  
I don't know how many times I tried  
All I got was better luck next time

But I won't give up and I won't give in  
Cause I'm a stubborn old fool looking for a chance  
Can't go on things have got to change  
So I keep on trying again and again and again and again

I know someday I'm going to get it right (ain't no doubt about it)  
Win or lose I'll know at least I tried (ain't no doubt about it)  
I'll give it up when I get the chance  
All I want is a little romance  
I don't care how many times I try  
All I want is better luck next time  
I don't care how many times I try  
All I want is better luck....  
Better luck next time  
Better luck next time  
Better luck next time
