

## Howling Dog

(lyrics RH Weber/music RH Weber, E Java, F de Jong, G vd Kolm)

I'm a howling dog  
Can't get you of my mind  
A howling dog  
Crying all night  
A howling dog  
Looking for mercy  
A howling dog  
Howling just to make you see  
Ohooo....I can't get away from you  
Ohooo....can't get away, can't get away  
I'm a howling dog

All night long  
I can't get no sleep  
All night long  
The moon been staring back at me  
All night long  
Trying to get you of my mind  
All night long  
I've been wasting my time  
Ohooo.....I can't get away from you  
Ohooo....can't get away, can't get away  
All night long

I'm a howling dog  
I can't get away from you  
A howling dog  
Tell me what can I do  
A howling dog  
Scratching and a moaning  
A howling dog  
Down here on the floor  
Ohooo.....I can't get away from you  
Ohooo....can't get away, can't get away  
I'm a howling dog
