## It hurts so bad (duet with Cheryl Renee)

(lyric - RH Weber music: RH Weber, E Java, F de Jong, G vd Kolm)

I didn't believe a word you said When you told me that it was over I can't believe it still That you've gone away and found yourself a better man It hurts so bad Somebody else is calling.....calling out your name We used to be so good together Until somehow you lost your mind Such a good team Now all you can do is cry, cry, cry It hurts so bad Somebody, somebody, somebody is calling out my name I shouldn't have done it I don't know what came over me You never should have gone there Too late now you see Well don't it hurt? It hurts so bad Don't it hurt so bad? Somebody, somebody, somebody else is calling out my name It hurts so bad It hurts so bad
