

She's alright
(lyrics/music RH Weber)

I need a woman to wake me when I sleep too long
I need a woman to stop me if I keep going on
Someone to question everything I say
Tell me truth right in my face

I need it rough, tough, someone to call my bluff
Ready to fight when it's more than enough
Smile in my face and don't give a damn
Walk away to make me understand

Oho....she's alright
Oho....she's alright

Nobody ever tells me what to do
If you want me to move I'm stubborn like a mule
I'm nobody's fool and I won't take no lip
I am what I am and that's the way that it is

But a woman like her knows the fool I am
A woman like her knows the better man
She whacks me on the head if I'm doing her wrong
I need that woman now all night long

Oho....she's alright
Oho....she's alright

Ain't nothing out there like that woman of mine
She's tough and sweet, she's one of a kind
Ain't got no mercy on a foolish man
She leaves no doubt about where I stand

Oho....she's alright
Oho....she's alright
Oho....she's alright
Oho....she's alright
