Give me back my heart

(lyric/music RH Weber)

First time that I saw you
My heart started going wild
Like a light out in the darkness
You brought me back to life
Into a life worth living
Oh you stole my heart

I tried and I tried
To give you everything I could
But you won't take nothing from me baby
Like a true lover should
If you don't think I'm worth it
Give me back my heart
Give me back my heart

All I know is what I'm feeling
But that don't mean a thing to you
All that I've got is in your hands
All I'm feeling is true
If you don't think I'm worth it
Give me back my heart
Give me back my heart Baby
Give me back my heart Baby
Give me back my heart Baby
Give me back my heart Baby
