

On my way back home

(lyrics: RH Weber - music: RH Weber/E Java/F de Jong/G van der Kolm)

It's late at night
I just left town
Been working real hard
I've been travelling around
I got a smile on my face
And I'm feeling fine
Going back to see my baby makes me feel all right
Keep it going straight
I'm feeling good
On my way back home

Talking on the phone
Don't feel the same
Long distance call
It's a crying shame
Being all alone
Night after night
Going back to see my baby makes me feel all right
Keep it going straight
I'm feeling good
On my way back home

Tired of working
Day after day
It's been a long time coming
But I'm on my way
My heart is jumping
I'm feeling fine
Going back to see my baby makes me feel all right
Keep it going straight
I'm feeling good
On my way back
I'm feeling good
On my way back
I'm feeling good
On my way back home
