

Get up and do it

(lyrics Ruud Weber music: RH Weber/E Java/F de Jong/G van der Kolm)

When you're down on your luck sometimes
And you don't know what to do
Like a car running out of gas
Trouble's looking straight at you
Don't let it get you down
Don't let it stand in your way
When all is done and you're back at square one
Do it all over again

You got your mind on a good thing
But keep losing all the time
Don't let it get too heavy
Don't let it blow your mind
You got to move that monkey
Monkey of your back
When all is done and you're back at square one
Do it all over again

Get up and do it
Do it all over again
Get up and do it
Start all over again

Money is just like water
Slipping through your hands
When you need it most
It's like a broken down dam
Don't let it drown you
Better learn to swim
When all is done and you're back at square one
Do it all over again

Get up and do it
Do it all over again
Get up and do it
Do it all over again
Get up and do it
Start all over again
