

Let's go get stoned

(lyrics/music N Ashford/V Simpson/J Armstead performed by King of the World)

Let's go get stoned
Oh....let's go get stoned
Let's go get stoned
Oh....let's go get stoned

You know my baby, she won't let me in
I've got a few pennies, I'm gonna buy myself a bottle of gin
I'm gonna call all my buddy on the telephone and say
Let's go get stoned

You know I work so hard all day long
Everything I try to do seems to Always turn out wrong
That's why I wanna stop by on my way home and say
Let's go get stoned

Ain't nothing wrong in having a little taste
But don't your loose your cool and start messing up a man's place
Ain't nothing wrong with having a little nip
But don't you fall down and bust your lip

Let's go get stoned
Oh....let's go get stoned
Let's go get stoned
Oh....let's go get stoned

Ain't nothing wrong in having a little taste
But don't your loose your cool and start messing up a man's place
Ain't nothing wrong with having a little nip
But don't you fall down and bust your lip

Let's go get stoned
Oh....let's go get stoned
Let's go get stoned
Oh....let's go get stoned
