

## Same old trouble

(lyrics RH Weber music R Weber E Java F de Jong G vd Kolm)

I was talking to my friend the other day  
He asked me how I was; I said I'm doing ok  
He looked at me with suspicious eyes  
He said boy you're in trouble, here is my advice

Another woman same old trouble

He said you're thinking about leaving your sweet woman  
Grass always seems greener on the other side  
I know just what you're thinking  
And I can tell you it ain't right

Another woman same old trouble  
Another woman same old trouble

He said so many years ago I made that same mistake  
Found another woman, thought I was on my way  
Running around having a real good time  
But then things began to change  
Right there I realized it was a déjà vu  
All the same trouble staring back at you  
Nothing wrong with the woman by your side  
Don't mess it up you better get it right

Another woman same old trouble  
Another woman same old trouble

Sometimes when I get tired of that woman of mine  
I think about my friend and I know he's right  
There ain't no use in running out that door  
If you don't know what you are running for

Another woman same old trouble  
Another woman same old trouble  
Another woman same old trouble  
Another woman same old trouble
