

## Future man

(music/ lyrics RH Weber)

I ain't the kind for reminiscing and I guess I never was  
You won't find me sitting around talking about things I lost

Looking back is so dangerous  
It can nail you to the ground  
I like to keep myself moving with nothing to slow me down

People always talk about good things in the past  
I don't mind if they do but that's not my style that's not what I do  
I'm a future man  
I don't care for looking back  
That's not where I'm going  
That's not where I'm am  
Future man

Time just keeps on running, so you better start running too  
What you can't change is useless so you better find something new

People always talk about good things in the past  
I don't mind if they do but that's not my style that's not what I do  
I'm a future man  
I don't care for looking back  
That's not where I'm going  
That's not where I'm am  
Future man  
Future man  
Future man  
Future man  
Future man
