

Eyes of a Child

(Lyrics RH Weber music: RH Weber)

I get a funny kind of feeling when I think about myself as that little boy
I see that old man with me and I'm trying to be like him forevermore
But time has come between us and nothing feels the same
I see a different side of him and I can't make it go away
But I still feel that same thing inside
Eyes of a Child

It ain't easy growing older knowing he's just like anybody else
I guess we're all just human but it makes me feel uneasy about myself
Every time I turn around, something seems to change
The world outside is a different place and I don't know who to blame
But I still feel that same thing inside
Eyes of a Child
Eyes of a Child

And every time I try my best to let it be
I can't get over all the things I didn't see
Cause it hurts my pride to wonder why and realize that I was wrong

I get a funny kind of feeling when I think about myself as that little boy
I see that old man with me and I'm proud to walk beside him for sure
No one knows what happens but some things never change
I wonder how much longer before he slips away
And I still feel that same thing inside
And I still feel that same thing inside
Eyes of a Child
Eyes of a Child
Eyes of a Child
Eyes of a Child
