

Judgment Day

(lyrics RH Weber music: RH Weber, G van der Kolm, Stef Delbaere, M Pichel)

I've seen them rise and I've seen them fall
I've seen them small and I've seen them tall
But nothing is ever done till the end of the line

I've seen them rich and I've seen them poor
Drown in money and still want more
Sell their souls to the company ties
Oho, see on Judgment Day

Don't talk to me while looking down
Next time we talk it might turn around
I'll be right there at the end of the line
Oho, see on Judgment Day
Oho, Judgment Day

Don't ever think that you own the truth
Time will tell if you win or lose
Make your choices and then you pay your dues
Oho, see on Judgment Day
Oho, see on Judgment Day
Oho, see on Judgment Day
Oho, see on Judgment Day
