

## Love motel

((Lyric RH Weber music RH Weber, G vd Kolm, Stef Delbaere, M Pichel))

I got to get myself together  
I don't know what's been going on  
Find myself something better  
Cause I know that this is wrong

I got to keep on keeping on  
And find a way out of here  
My reservation is over  
It's time to disappear

Checking out for the .....last time  
I won't be back no more.....last time  
I got to find something better.....last time  
Checking out of this love motel

I've been talking to myself now  
It's time for me to start listening  
This trip is going nowhere  
And you're the reason why

There is nothing here to hold me  
These rooms are bringing me down  
I'm going down to the reception  
Tell them I'm leaving this town

Checking out for the .....last time  
I won't be back no more.....last time  
I got to find something better.....last time  
Checking out of this love motel

I've been in so many motel rooms  
To know when it's time to leave  
I got my suitcase, towels on the floor  
And that's all that I need

Checking out for the .....last time  
I won't be back no more.....last time  
I got to find something better.....last time  
Checking out for the .....last time  
I won't be back no more.....last time  
I got to find something better.....last time  
Checking out of this love motel
