Someone like you

(lyric RH Weber music RH Weber, G vd Kolm, Stef Delbaere, M Pichel)

You must be stone cold crazy
Acting like you do
You must be slowly losing your mind
I can't believe it's true
I wonder why you do what you do

Always itching for something
But you will never show
What's going on way down deep inside
You keep it under control
I wonder why you do what you do
You mess around with people,
they will walk out on someone like you

There a line and you've crossed it
And now there's no turning back
Pride is a thing to hold on to
And you're a thing of the past
I wonder why you do what you do
You mess around with people,
they will walk out on someone like you

You go your way and I go mine
And that's the way it's got to be
If you believe in what you're doing now
Then that's alright with me
I wonder why you do what you do
I wonder why.....
Someone like you
Someone like you
Someone like you
Someone like you
