

Soul searching

(lyric RH Weber music RH Weber, G vd Kolm, Stef Delbaere, M Pichel)

You can spend all your time making money
Or you can spend all your money, making time
But if you ain't got no time or money
That is the last thing on your mind

Try to find a way to walk with god
Or you can find god in the way that you walk
But that don't mean a thing if you don't know nothing but bad luck

Soul searching

Waste your time and just criticize
Or you can criticize your waisted time
Walk around with your head in the clouds
Trying to find a hidden sign

Read about it in the magazines
They tell you happiness is all around
And if you ain't got it, you're doing it wrong
Then it's time to free your mind

Soul searching
Soul searching
Only for the lucky ones
